

For kids

Thanks to our beloved gentle horses, children can learn the art of trust, respect, patience and kindness to create cooperation and to treasure the love, fun and excitement that is built when all these elements combine.

Leaded horseback ride

€ 50€ per child
⌚ 0h30
Age 5+

30 minutes activity for children aged 5 and up. It consists in taking an easy walk along the path around the stables and in the arena to have a first approach with the horse in the safest way. The instructor will introduce the horse to the child, and then will help him to get on. On the way, the instructor will always lead the horse by the reins from the ground.

Lesson in the arena

€ 110€ per child
⌚ 1h
Age 8+

A proper lesson to have a first real approach with horses. All the children will have the possibility to brush, to lead and to ride a horse in the practice arena where they can learn the basic important things to control a horse by themselves. At the end, each child will give a treat to his horse.

Cowboys and indians

€ 110€ per child
⌚ 1h
Age 6+

A funny activity for kids surrounded by a western atmosphere. Country music, western saddles, and "fingers paints" (washable and dermatology tested) to draw on the horses and to make up like native Americans. Then, all the children will have the chance to do a small ride in the practice arena.

Horseshoe workshop

€ 110€ per child
⌚ 1h
Age 5+

A leisure activity dedicated to drawing and creativity. The activity will start with a "treasure hunt" to find the horseshoes hidden around the stable. Each child will have his own real horseshoe to decorate with tempera, and a small card which they can draw a horse on. The instructor will help them to create a cool package, and the result will be a nice gift to bring back home. Do you know that the horseshoes are also a symbol of good luck?
