

HÔTEL SPLENDIDE ROYAL

PARIS

General Description

It is in a townhouse dating from 1897 at 18 rue du Cirque that the Hotel Splendide Royal decided to settle. This “family home” offers refined, elegant yet welcoming suites in one of the most exclusive streets in Paris. This private home was designed to offer an atmosphere that is both elegant and chic without being ostentatious: discretion is its keyword. This is the place for savvy, sophisticated travellers looking for an elegant, family setting with all the comforts of a world class hotel.

Rooms

Spacious, decorated in a classic style redesigned with subtle Italian touches, they provide a bright interior. Each of them has a unique and personalized charm. Silk and taffeta enhance the refined furnishings alongside the tastefully selected artwork.

Location

A haven of peace, the hotel is located in the safest area of Paris, near the Élysée Palace, official residence of the President of the Republic. But it is above all in the heart of elegance, refinement and the ultimate luxury of the Rue du Faubourg Saint-Honoré.

Restaurant

The chic bistro in contemporary Italian style offers fresh, simple dishes using all the flavours of authentic Italian cooking. The lunch menu proposes light meals, while in the evening a more extensive menu is offered, to discover Italian cuisine reinterpreted with a modern touch.
