

Celebrate Easter in the heart of Tuscany

Fun for all the family at Borgo Pignano

Easter in Tuscany is a time for family and friends to come together and relax, wind down and enjoy the natural beauty of this enchanting, unspoilt region. Borgo Pignano is one of Tuscany's finest country estates and offers a tranquil yet luxurious setting in which to immerse yourself in the Dolce Vita. Explore the medieval towns of San Gimignano and Volterra and soak up the heady atmosphere of the Easter celebrations that take place in the ancient piazzas.

Easter is a magical time at Borgo Pignano where you can enjoy an elegant yet informal atmosphere perfect for families looking for that elusive combination of sophistication and relaxation.

Throughout the Easter weekend you will find activities to suit all ages such as nature trails and Easter egg hunts. For adults why not indulge in Pignano's home-grown organic cuisine, sample excellent local wines, tour the farm and gardens, bike around the woodland trails, visit the stables and explore the far reaching open countryside. Take a cooking class with our chef, sample a spa treatment, take a yoga session or simply spend time with your family in the most glorious of springtime settings in Tuscany.
