A STUNNING
2020
AWAITS!

Just the time to celebrate the success of the season that has just ended and Forte Village is already at work on the innovations that will make unforgettable the experience of its guests in 2020!

Nestled at the southern end of Sardinia's breathtaking Mediterranean shores, just a quick one-hour flight from Rome, Forte Village is a destination quite unlike any other with an unparalleled choice of exclusive hotels and restaurants with Michelin Stars, a world class Acquaforte Thalasso & Spa, an incredible range of sport and leisure academies with International champions, a charming piazza with boutiques featuring the world's most prestigious fashion and evening entertainment with international artists under the stars. Now it is the time to visit the award-winning resort as it has undergone an extensive refurbishment, over the last five years to the tune of over 50 million. For the upcoming 2020 season, further improvements and new exclusive services are just waiting for you.

New extraordinary Beach extension (27,000 sqm) and Concierge Service

The white enchanting beach which has always made one of the icons of the Resort and of the wonderful South of Sardinia is soon to get back to the original splendour thanks to a significant nourishment project that will extend it up to 15 meters. There will also be a new personal beach concierge service providing guests with everything they need.

Refurbishment of outdoor areas including Oasis Pool and the Pineta Restaurant!

The Oasis Pool, one of the resort's most iconic spots at the centre of the resort, will be even more beautiful with a soft refurbishment of the area. A great refurbishment will also transform Pineta, the exceptional buffet restaurant set amid a deliciously-scented pine grove for new unforgettable al fresco dining experiences

Hotel Castello refurbishment

After the complete renovation in 2016 and the restyling of the Executive Mare rooms, the Royal Suite and the Junior Suites in 2019, the Hotel Castello is undertaking a significant new project that will see, among other things, the construction of a panoramic lift with crystal cabin with stunning views over the entire resort. Another great novelty is the enhanced path of lights from the Hotel Castello leading directly to the sea. The circle is closed by a spectacular gazebo overlooking the sea with its suggestive atmosphere.
