## HASSLER ROMA PROVIDES COMPLIMENTARY CHAUFFEURED ELECTRIC CAR FOR GUESTS' SHOPPING EXCURSIONS

### ENVIRONMENTALLY CONSCIOUS SHOPPING IN THE ETERNAL CITY

**Rome, April 2016** - The iconic Hassler Roma has become the first hotel in Italy to offer an electric car to shuttle its guests to and from shopping excursions. This complimentary service in the historic city center enables guests to easily transport their purchases back to the hotel or to simply skip the climb up and down the Spanish Steps at the Piazza di Spagna.

Available from 10am to 6:30pm daily with prior arrangement at the concierge desk, the six-seat minivan and driver are provided as a complimentary service for guests of the Hassler Roma. Environmentally conscious guests can be part of a growing effort to reduce local air and noise pollution in Italy's largest city, as well as the Hassler Roma's efforts to maintain a lower carbon footprint.
