

THE FIRST ROMA

The First Roma is a five-star boutique hotel located **in the heart of Rome**, at a short walk from The Spanish Steps, Piazza del Popolo, Via del Corso and Via del Babuino. Nested inside a 19th century nobleman's palace that has been restored into an elegant and refined hotel with 29 rooms and suites, The First boasts natural materials, marble and fine woods preserving its noble lines and that look of an aristocratic home.
