Santorini

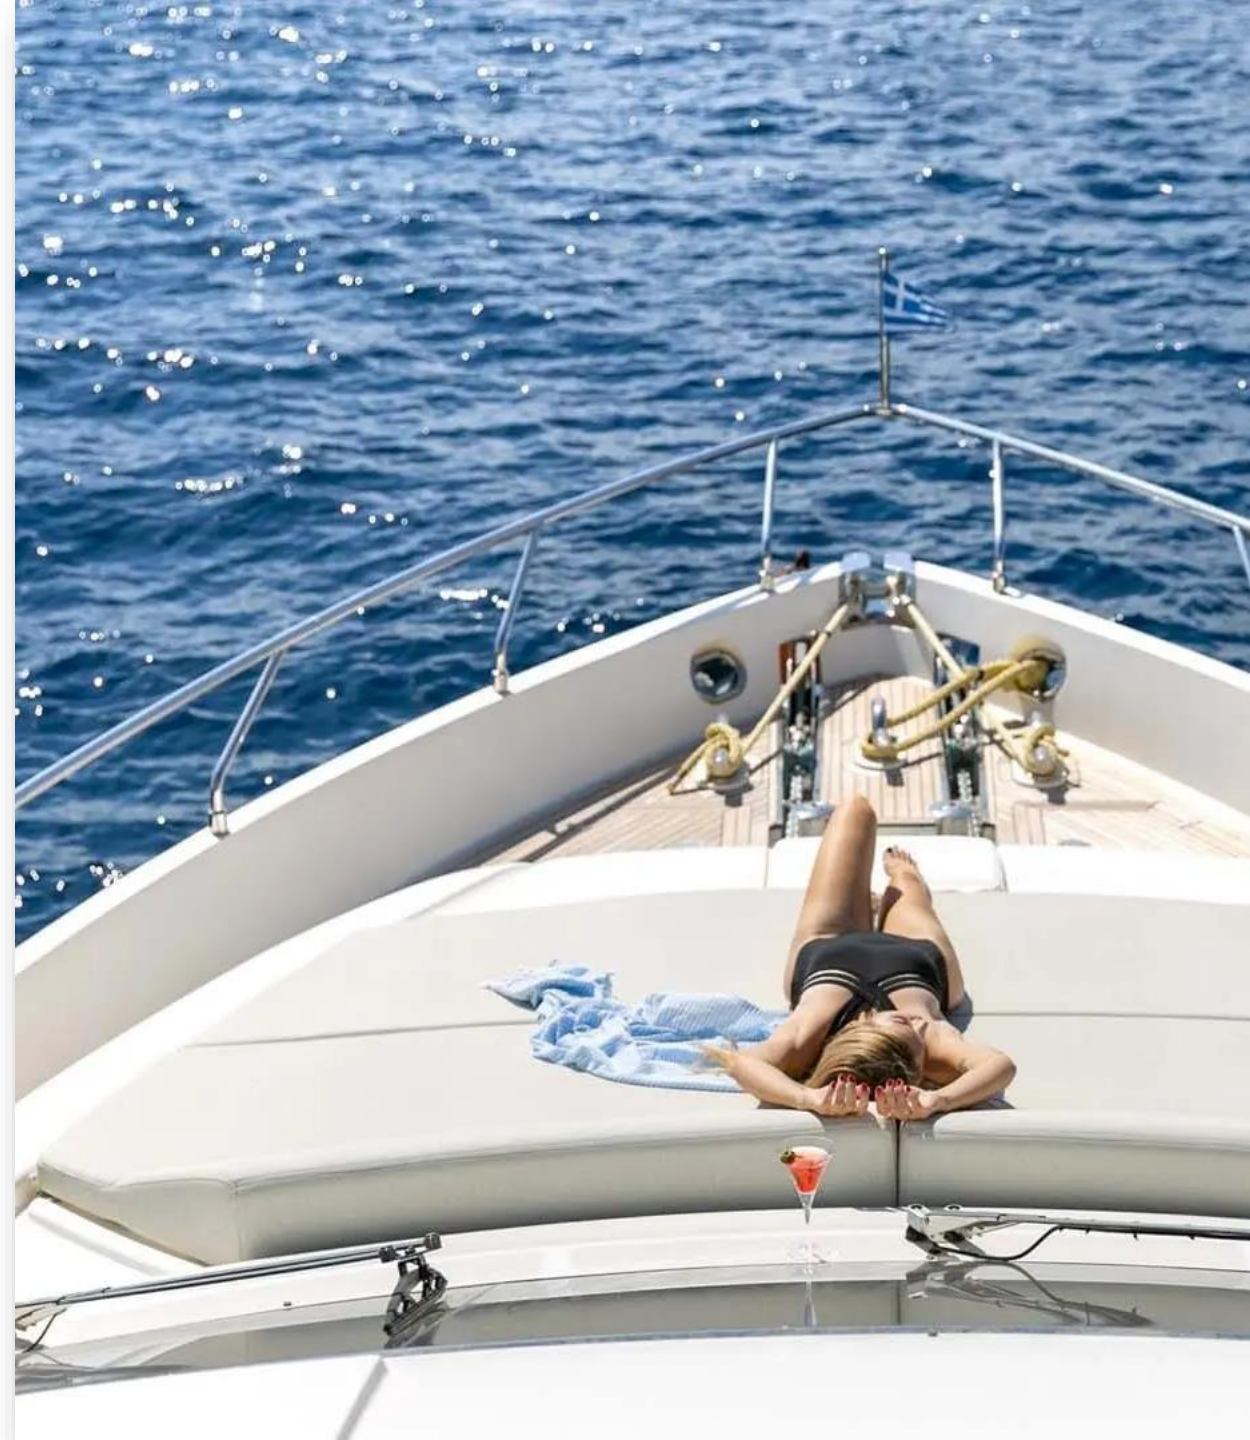

Cruise around the Caldera

There's no better way to explore the crystal blue seas around Santorini than a private exclusive cruise.

In the warm sunshine, you will sail past some of the best-known Santorini landmarks and beaches and experience the unique opportunity of sailing into the spectacular caldera.

This luxury cruise includes an unforgettable barbeque paired with Santorini's finest wine and beverages whilst relaxing onboard.

You will visit both Red Beach and White Beach for swimming and snorkeling, sail leisurely past Thirassia, a small island formed in recent centuries by volcanic activity, and recharge with a delicious meal on board before admiring the spectacular Santorini sunset.

Greek Food and Wine Tasting

Immerse yourself in the Santorinian traditions, aromas, and scenery with an off-the-beaten-path tour.

Step away from the Caldera and discover the island's excellent fine wines and the secrets of the local winemaking process.

Your expert guide will take you to two renowned and long-established family wineries, where you will have an opportunity to receive a fascinating glimpse into the production of volcanic wines. Indulge in a wine tasting of award-winning wines before continuing to a traditional Greek restaurant.

In a beautiful setting, enjoy a three-course menu offering a wide variety of meze: a selection of small, tasty dishes of local specialties paired with Santorini's fine wine.

Santorini Wine Roads

Santorini is home to a flourishing wine industry and what better way to discover the magical world of the Theraian volcanic wines than by visiting the island's wineries.

Your journey begins with a scenic tour around Santorini, where you will enjoy panoramic views of the surrounding countryside and the picturesque, whitewashed villages along your route.

Visit three long-established family wineries, where you will be given a fascinating glimpse into the production of Santorinian volcanic wine under the guidance of an experienced Sommelier, starting with the selection and variety of the grapes and ending with bottling the finished wine.

You will be able to taste several varieties of wines produced on the island paired with bites of delectable Cycladic cheese.

Santorini Craft Beer & Spirits Tasting

Embark on an exciting tour through the tastes and aromas of the Santorinian beer and spirits.

Visit a refurbished distillery museum and tour around replicated workplaces and homerooms of the recent past, learning more about the life of locals on the island.

Rooms include original items collected over the years. In this amazing environment, you will have your first taste of traditional spirits with a modern twist.

Continue to a brand-new beer house where you will dive into the process of beer production and see the original brewing tanks.

Try the local beers paired perfectly with a variety of traditional delicacies.

Traditional Village of Pyrgos & Cooking Lesson

Discover Pyrgos, an enchanting village that captivates you with its magical ambiance.

The village unfolds with narrow winding paths ascending the hillside, adorned with charming churches and offering breathtaking sunsets.

Proceed to your next destination, the village of ExoGonia and the traditional tavern, where you will embark on your culinary adventure. Roll up your sleeves, follow the instructions of your chef and start making your very own traditional Greek delicacies.

After all your dishes are completed, you will gather around the table and savor the fruits of your labor expertly paired with refreshing local wines.

Discover Santorini

Spend a relaxing day discovering the scenic countryside, stroll through the maze of narrow streets filled with gems of medieval architecture, catch up on local gossip as you pass a traditional Kafenio, discover secret paths with your guide, and revel in the stunning views around you.

The tour will also take you to the famous black beach, where you can dip your toes in the characteristic volcanic sand before continuing to a long-established vineyard.

Receive a fascinating glimpse into growing and wine production exclusive to Santorini and, of course, sample some of the signature wines.

During the day, you will also visit Akrotiri, a famous Minoan Bronze Age settlement showcasing remarkably well-preserved remains of vibrant Frescoes and artifacts.

Santorini Island Cultural Day Tour

Discover Akrotiri's ancient village - the most important archaeological site of Santorini.

Walk by the streets of Megalochori, a traditional village in the interior of the island, enjoy the beauty of the black beach at Perissa-Perivolos, discover the wine heritage of the island as you visit the Wine Museum and, of course, take photos of the stunning Caldera landscapes at Oia, the most famous village of Santorini, while walking by the alleys and later on watching the most beautiful sunset of Greece.

Akrotiri & Emporio Village

You will start your tour by heading to the Minoan Bronze Age settlement of Akrotiri on the southern part of the island, showcasing many remarkably well-preserved remains of vibrant Frescoes and artifacts.

From there, we will head to Emporio, the largest village in Santorini, which once was the center of commercial affairs on the island.

Nowadays, it is a peaceful settlement with beautiful houses and yards, many renovated, making the place very attractive.

You will find plenty of shops, cafes, bars, traditional taverns, admirable blue-domed churches, and tiny chapels.

The main attraction of Emporio is the medieval Kasteli, one of the five fortified castles of Santorini. Inside the castle, you will discover a church that dates back to the 16th century.

The Caldera Hike

Explore the island by embarking on a guided walking tour of Santorini's most impressive path, right on the rim of the famous volcanic caldera.

Follow the footsteps of ancient merchants, farmers, and sailors, and experience a once in a lifetime adventure filled with perfect photo opportunities.

This path takes you along the edge of the supervolcano that inspired the myth of Atlantis. Your local guide will take you through traditional whitewashed settlements, at the only inhabited caldera in the world.

Marvel at the azure sea and the breathtaking landscape, while learning about the myths and rich history of Santorini. Starting from Fira and ending in Oia, you will enjoy extraordinary views, visit unique places of interest and capture exceptional photographic moments.

South Island Biking

Discover Santorini's southern charm on a delightful Southside tour. Traverse villages along scenic paths, trails, and wine roads unveiling a unique perspective of the island.

Explore Perivolos and Perissa Black Beach, the enchanting Castelli, and the iconic Windmills of Emporio.

Follow the Caldera View path to medieval churches, explore the Cave Heart of Caldera, and soak in the ambiance of Megalochori Village.

Journey to Vlychada and Akrotiri, immersing yourself in natural beauty as you ride your electric mountain bikes through this picturesque landscape.

Santorini Fishing Trip

Enrich your stay in Santorini with this authentic and memorable fishing tour. Once you get settled onboard you will reach the first sighing post where you will pull 800 meters of nets and a dozen octopus and shrimp creels from the sea to test your luck and most of all your fishing skills.

After your first task is done, you will stop close to the coast of one of Santorini's most famous beaches for some leisure sun and sea time. Swim, snorkel, continue fishing with fishing rods, or just relax and soak up the glorious Greek sun while the crew prepares your daily catch.

Your delicious full meal will be served on board along with refreshments, dessert, local wine, and, of course, ouzo.

After some more sun and sea time, you will make your way back to the marina where the driver will be waiting to take you back to your hotel.
