

WORLD'S LEADING RESORT

NEWS

The World's Leading Resort!

It's official: Forte Village is the "World's Leading Resort"! The prestigious accolade received at the World Travel Awards last November confirms the undisputed position of our resort at the top of the global hotel industry for 24 consecutive years! After an extraordinary 2022, we are ready to welcome you back with new renovations and experiences in his iconic seaside location, nestled within 120-acres of lush natural wilderness on the south coast of Sardinia. You will fully enjoy unparalleled new culinary experiences, challenge your skills with new sport academies, shop in our new boutiques or simply relax at the newly refurbished Acquaforte Thalasso & Spa. The upcoming 2023 season has lots of surprises in store for you!

Loose weight in total relaxation with BlueHFit

BlueHFit is a treatment that utilizes both blue light and heat to promote a variety of beneficial effects, including anti-inflammatory, anti-cellulite, anti-aging, and localized weight loss. This innovative approach involves performing light physical activity inside a temperature-controlled capsule, which helps to purify the body, reduce fat, improve physical performance, and reduce oxidative stress.

LPG : The Revolutionizing new Body Contouring machine

The new LPG machine helps stimulate the skin and fatty tissue to soften them and make them less fibrous. At the same time, this stimulation helps to release fat and to activate blood and lymphatic circulation.

Experience the Height of Fashion

Forte Village is known for its outstanding fashion offerings. We are excited to unveil new partnerships that will elevate your shopping experience to new heights. Be on the lookout for exclusive collections, limited-edition capsules, and early access to the latest winter collections - all available exclusively at the resort. New store openings: Saint Barth mono brand store for the entire family, while fashion-forward guests will be captivated by Hibourama accessories and their exclusive creations.

Greener Future

Forte Village has always been strongly committed to a sustainable development through the introduction and implementation of a wide range of initiatives in different areas of action to reduce the environmental impact. Reducing plastic waste, safeguarding the delicate ecosystem with more than 3000 species of plants and flowers that can be found in the resort, decreasing CO2 emissions by utilizing efficient and renewable technologies and implementing water reuse and waste recycling programs are just some of the actions the resort has been implementing over the year. May 2023 will see the achievement of a very important project, in cooperation with the Italian firm Ogyre Plastic and the network of local fishermen community: the collection of 1000 kg of plastic waste in a year, an active action to help keeping the Sardinian Sea clean.

Bike World: Concept Store for Tailor-Made Cycling Experiences

Forte Village has partnered with PPRFactory and the Italian bicycle brand 3T Bikes, with a concept store offering 3T's range of performance bikes available for guests to use on tailor-made excursions during their stay. 3T Bikes is an Italian cycling company known for their high-quality gravel, road, and e-bikes, produced in Italy by skilled craftsmen who are passionate cyclists. They are the producer of choice for leading brands such as BMW, Lamborghini, and Bally.
