Authentic Dining

Taking advantage of a daily haul of fresh fish and nature's close-at-hand ingredients, the resort offers unique dining experiences. The Club House restaurant celebrates Greek and Mediterranean cuisine in a relaxed water-side setting, while the Maya restaurant focuses on contemporary Asian fusion dishes, including sushi and sashimi, lobster tempura, fresh oysters and Japanese-style steaks on the grill. For guests seeking ultimate privacy, a 24-hour in-villa dining service is available as well as a romantic private dining experience on the beachfront.
